I would like to waive the late fees on my penalty reminder notice because the address you guys sending to was not the correct address which is the old address. I would not find this penalty reminder notice forever if I did not go back to the old address once in a while. Thanks.

I understand that this is the only Internal Review for this Infringement that I am able to submit pursuant to s.22 (2) (e) of the Infringements Act 2006.
